**SCAN TO MAKE A
MOMENT MATTER**

Dear Friends of Hospice,

A moment doesn't have to be big to matter.

It might be hearing a favorite song played on the piano again. One more afternoon bowling with friends. A birthday celebrated a little early so everyone can be together. Or simply having something at home that brings comfort and makes each day a little easier.

At HomeCare & Hospice, we know these moments matter.

Hospice care surrounds patients and families with compassion, dignity and support. But sometimes, what means the most falls outside the care covered by insurance. That's where the HomeCare & Hospice Foundation can step in, helping turn a wish, a need or an idea into something meaningful.

Through the generosity of people like you, we can help make moments happen.

Maybe it's special transportation so someone can attend a grandchild's school play or sporting event. Perhaps it's fulfilling a simple wish that brings joy, or providing something practical that makes life at home more comfortable.

Every patient is different. Every wish is different. And every moment matters.

Your gift to our Annual Appeal gives us the flexibility to respond when our patients and families need a little something more. It allows us to say "yes" to opportunities for comfort, connection, joy and memory-making.

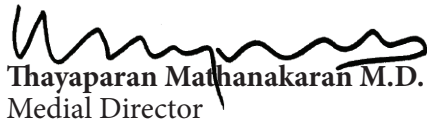

And sometimes, one small "yes" can mean everything.

Please consider making a gift today and help us make more of these moments happen. You can give using the enclosed form, donate online, or simply scan the QR code to make a secure gift from your phone.

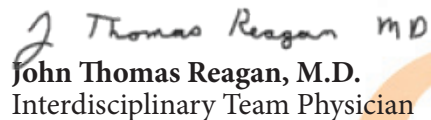

Thank you for helping us bring a little more comfort, a little more joy and a few more meaningful moments to the patients and families we are privileged to serve.

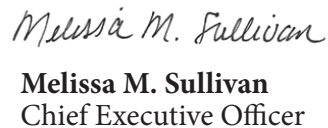

Because moments matter. Let's make them happen.

With gratitude,

Thayaparan Mathanakaran M.D.

HOSPICE ANNUAL APPEAL 2026

Moments matter. And your gift helps make them possible. Your support helps bridge the gap between the cost of compassionate hospice care and what insurance covers, ensuring patients and families in our community receive the comfort, care and support they need.

Every gift matters. Every moment matters. Thank you for making both possible.
