

50 | 50 | 500 | Hospice Hope Challenge

The HomeCare & Hospice Foundation invites individuals and groups across Cattaraugus, Allegany, Wyoming, and Genesee counties to join us in a powerful movement to support local hospice care through our 50 | 50 | 500: Hospice Hope Challenge.

At HomeCare & Hospice, we are proud to be your local provider—offering compassionate, expert care and unwavering support to patients and their families when they need it most. We are equally proud of our commitment that no patient is ever billed for the care they receive. But while our services are free to those we serve, they are not without cost.

That's where you come in.

Starting November 1, we're launching the 50 | 50 | 500 Challenge—a 50-day campaign calling on 50 champions from across our community. We're asking individuals, staff, board members, business and civic leaders, clubs, and organizations to each raise a minimum of \$500 in support of our hospice work.

This Challenge will kick off our 2025 Annual Appeal, and it's more than just a fundraiser—it's a chance to show heart, build teams, make a lasting impact, and highlight your commitment to community care. Whether you're part of a workplace, a community group, or taking on the challenge solo, your efforts will help sustain and grow vital hospice services close to home.

Let's come together. Let's raise hope. Let's do this—50 people. 50 days. \$500 each.

Are you up for the challenge?
